

DRESS REHEARSAL SCHEDULE

Dress rehearsal is an important part of recital weekend!

During dress rehearsal, the tech crew and stage managers have the opportunity to see dancer staging to create lighting cues. Teachers have designed lighting for their classes and this is their opportunity to test them out on stage with the dancers. Dancers have the opportunity to practice on stage with the lighting and learn where they enter/exit. *For these reasons, it is important that your dancer attends **ALL** rehearsals- their individual class(es) AND the whole program finale.*

Each class will have 20 minutes scheduled (5 minutes of backstage prep and 15 minutes of onstage prep) PLUS a whole program finale rehearsal: There will be two options for those dancers with rehearsals on Saturday, choose ONE to attend. Please arrive promptly so that we can keep to our schedule as best as possible- note the “arrive by” is 10 minutes before your rehearsal time. Think of this as the “latest time” that you should arrive.

After your dancer’s class rehearsal time, there will be the opportunity for a group photo in the auditorium lobby.

You do not need to stay at Towson High School between your dancer’s rehearsal(s) and the whole program rehearsal. HOWEVER! Dancers will be backstage all of recital and not have the opportunity to see their fellow dancers on Sunday, so you are more than welcome to stay and watch from the audience on Dress Rehearsal Day.

****We understand that dancers in two dances may have an hour+ between each of their rehearsals. We thank you so much in advance for your patience + flexibility in getting them to each rehearsal on time. Recital Weekend is a time of great excitement and we will have games/activities available to keep them entertained if you choose to stay at Towson High School with them between these rehearsals vs. leaving. YOU ALL ROCK****

Note to Recital Helpers/Stage Moms:

Recital Helpers are highly encouraged to attend your dancers' rehearsal AND one of the Final Bow rehearsals- this will help you know where you will be standing backstage to guide your dancers and how we will be dismissing them.

Reminder, **Recital Helpers Meeting on Thursday April 30th at Lutherville Elementary from 7:45 - 8:45 pm.** If you cannot attend, pertinent information will be e-mailed to you as soon as it is available, after the meeting.

IMPORTANT NOTES FOR SATURDAY, MAY 2ND

Hair and Makeup

- Dancers should come to dress rehearsal with the hair and makeup they are expected to have on recital day. Pictures will be found on our website at ltrcdance.com, for reference, as we get closer to the recital date. If unsure, stage moms and staff can guide you when you arrive at Towson High!

Costumes

- Costumes will be received on the last day of scheduled class (unless otherwise noted) and should be worn TO TOWSON HIGH SCHOOL for dress rehearsal and recital day. This allows for more time to practice on stage! *Please have your dancer wear street shoes and then change into their dance shoes once they arrive.*

COME EARLY

- The “arrive by” time on the schedule is the absolute LATEST time your dancer should arrive. We hope to keep with the schedule as much as possible and early/on-time arrival helps us to do so.

Hydrate, Hydrate, Hydrate

- We will be taking donations if anyone wants to drop off water bottles for the dancers to use on Recital Sunday. Your dancer should bring a water bottle (they may also bring a small snack) to dress rehearsal and the recital to stay hydrated throughout this exciting day.

Should I Stay or Should I Go?

- Staff will be busy backstage/setting up on Dress Rehearsal Day and will NOT be available to watch your dancer before or after their rehearsal time. We require you to stay (in the auditorium/audience) for the entirety of their class rehearsal time. You are more than welcome to videotape and then you will be available for the class photo after!

Don't forget your smiles and to have fun up there! We are so proud of you all!

Dani + Veronica :)
